Leaving New York?

Your preparation checklist

Put your homes, travel days and working arrangements into one plan, whether your next address is in another state or another country.

01 Map your move

Record your origin, possible destination, intended dates and who is moving. Note what is decided and what is still open.

02 Record what stays and what changes

List homes, family arrangements, work, accounts, investments and business interests that need attention.

03 Gather the useful records

Keep relevant housing, travel, identity and financial records together. Note missing documents rather than guessing.

04 Prepare your questions

What homes will remain available to me?
How will I track visits and working days?
What state, city and federal questions need separate answers?

05 Choose your next step

Build your free Exit Plan. Order a compiled report or a separately agreed written review only when you want that additional service.
